A photograph of a storage area. On the left, there are several cardboard boxes stacked. The top box is labeled 'AYANDENA'. Below it, another box is labeled 'AYANDENA'. To the right of these, there are three more boxes stacked vertically, all labeled 'BINGO'. The bottom-most 'BINGO' box has a 'SELECT GOLD' logo and a 'PREMIERE' label. To the right of the boxes is a large, neat stack of folded white and light blue items, possibly linens or clothing. The items are stacked on a red surface. The background is dark and indistinct.
